The Prize Snake Story. "In 1862," said the old professor, as he

and counted forty-six quail issue from

the snake's mouth. The engs he had

swallowed three days previous had hatch-

ed out in his stomach and caused trouble

in the interior department, but by inflat-

ing his throat he had been able to rid

himself of the unwelcome guests. The

queerest part of the incident was yet to follow. The snake evinced a great inter-

est in the young brood, and the next day

his family. The cunning rascal had bur

rowed under the rails, crossed the pon-

Epoch.
